Took around 50 SKUs live on Amazon, JioMart and Meesho. Handled pricing, listings, inventory, packing and shipping, including 30-40 Meesho and JioMart orders per month.

Created four gifting catalogues and approximately 15-20 videos and carousels. Managed WhatsApp catalogues, Google Maps information and website content coordination.

Reported outcomes: 20% growth in Diwali gifting sales and 15% more new walk-ins through social media awareness.
